Monarch Airlines flights from Leeds Bradford[®] Airport now on sale

Monarch, the leading scheduled airline to leisure destinations, has announced the launch of more than 80% of its summer schedule for 2016; including flights on sale from Leeds Bradford[®] Airport.

Destinations now on sale for Summer 16 from Leeds Bradford[®] Airport include Alicante, Barcelona, Dalaman, Faro, Larnaca, Mahon, Majorca and Tenerife.

Marjan Schoeke, Head of Network Development for Monarch Airlines comments:

“We know our customers like time to plan their holidays in advance and take advantage of the best fares. The summer 2016 schedule is focused on our core short-haul, pan-European destinations. We are pleased to be able to release the most popular routes and destinations for advanced sale for next summer giving our customers a head start on planning their breaks!”

Tony Hallwood Leeds Bradford[®] Airports Aviation Development Director said;

“Leeds Bradford[®] Airport welcomes the release of the Monarch summer 2016 flying programme serving eight sun and city break destinations. With the flight programme on sale over three months earlier than last year, Yorkshire travellers can be guaranteed the widest possible holiday choice flying to Spain, Portugal, Turkey and Cyprus.”

Further flights and additional routes will be added to the summer 16 schedule in the coming months.
