MONARCH AIRLINES LAUNCH NEW ROUTE TO MALAGA FROM LEEDS BRADFORD® FOR SUMMER 2016

Monarch, the leading scheduled airline to leisure destinations, today added an additional 7 weekly flight frequencies to its summer 2016 schedule from Leeds Bradford® Airport including a new route from **LBA™ to Malaga**.

Additional Leeds Bradford® routes and frequencies now on sale for summer 2016 include;
Leeds Bradford® to Malaga- new route – 3 x weekly flights
Leeds Bradford® to Naples- 2 x weekly flights

The new summer 2016 schedule from Leeds Bradford® also includes increased frequencies to Faro on the Algarve and Dalaman in Turkey with flights at sociable flight times; allowing customers to escape for a weekend or a longer break to some of Europe's most popular leisure destinations.

Marjan Schoeke, Head of Network Development for Monarch Airlines comments:

“Next year's schedule (summer 16) offers more flights from our most popular destinations at Leeds Bradford as well as introducing a new route to Malaga on the Costa Del Sol. This follows the launch of our summer 2016 programme last month when over 80% of Leeds Bradford's summer schedule went on sale.”

Tony Hallwood Leeds Bradford® Airports Aviation Development Director said:

"The introduction of Malaga from Leeds Bradford is a welcome addition to the Monarch route network serving the Costa Del Sol region for holidaymakers and overseas property owners alike. The continuation of the Naples programme for Summer 2016 means that the Amalfi Coast, Capri and Sorrento will once again welcome visitors from Yorkshire whilst the additional flights added to Faro and Dalaman will mean that Monarch will offer increased choice across 10 sun and city destinations from Leeds Bradford.”
