

More summer scorchers for Leeds Bradford Airport

Jet2.com and Jet2holidays have today launched two brand new destinations exclusive from Leeds Bradford Airport: Costa de Almeria (Spain) and Halkidiki (Greece), further expanding its biggest ever flights and holidays programme for summer 2017.

The leading leisure airline and package holiday specialist are the **ONLY** operators to fly to these destinations from Leeds Bradford Airport, giving Yorkshire holidaymakers even more fantastic places to visit. This brings the number of sunny hotspots to choose from next year to a whopping 46!

Spain's stunning Costa de Almeria is perfect for families and couples alike with sweeping Blue Flag beaches and pretty white washed villages. Customers can take their pick from the family friendly resort of Roquetas de Mar or the historic village of Mojacar for authentic Spanish charm. Halkidiki offers a whole range of activities and historical sights on one of the most beautiful of Greece's peninsulas as well as Indulgent Escapes holidays to the five star Sani Resort.

These exciting new additions to the summer programme come on top of an eleventh aircraft, more flights and three more new destinations, Costa Brava (Girona), Naples and Berlin, announced by Jet2.com and Jet2holidays last month.

Steve Heapy, CEO of Jet2.com and Jet2holidays commented: *"We said there was more good news to come for Yorkshire customers and here it is! Our biggest ever summer programme has just got even bigger with the addition of these two brand new destinations. Costa de Almeria is our 14th Spanish destination and 7th in mainland Spain, giving people even more holiday choices to this popular country, and we're thrilled to be giving our customers the chance to visit the beautiful Halikidiki area. We're very excited with these new destinations and I've no doubt they will be very popular."*

Tony Hallwood, Aviation Development Director at Leeds Bradford Airport, added: *"As Yorkshire's gateway airport, Leeds Bradford is pleased that Jet2.com and Jet2holidays are introducing a further two new exciting holiday destinations for summer 2017. Costa Almeria has fantastic beaches and hidden coves whilst Halkidiki offers a relaxing location with some of the best scenery in Greece. In total Jet2.com and Jet2holidays have now introduced five new destinations for summer 2017 offering their widest ever holiday and short break choice from Leeds Bradford."*
