

Special departures for this Summer from Leeds Bradford Airport

Tuesday June 14th 2016: Special summer departures to Italy, Austria and Switzerland from Leeds Bradford Airport are to take off next month, offering yet more choice for Yorkshire passengers.

Omega Holidays first started operating a charter programme to Austria and Switzerland last year; with direct flights from Leeds Bradford to Friedrichshafen. Based on the success of these routes, Omega Holidays have this year introduced Sorrento and Amalfi Coast breaks, flying from Leeds Bradford Airport to Naples.

The charter flight to Friedrichshafen has been extended this year and allows passengers to visit Lech, St Anton and Seefeld in Austria; with or without touring options. A seven night Switzerland holiday is also available, which is a great destination for those seeking a Swiss mountain break.

Holidaymakers choosing the Omega Holidays Naples route can take in touring options including trips to Positano, Amalfi and Ravello; Pompeii and Vesuvius, as well as Capri. All of the summer excursions take to the skies in July.

Maryanne Wilmer, of Omega Holidays, said: "Having introduced a service to Austria and Switzerland last year from Leeds Bradford, we decided to expand our holiday programme from the airport for 2016 to include breaks to Sorrento.

"Omega's overseas holidays are based on offering people the opportunity to fly direct from their local, regional airport, so it is great to see the positive response we have received for the new flights as well as the continued demand for our summer breaks in the Austrian and Swiss mountains."

Tony Hallwood, Aviation Development Director at Leeds Bradford Airport, said: "I am really pleased that Omega Holidays have been able to extend their programme from Leeds Bradford. Our customers like flying from their doorstep and it's great to be able to offer these extra choices over the summer. Omega Holidays are able to offer a really interesting, varied tour package alongside their charter flights from Leeds Bradford; giving yet more choice to our customers."

In February 2017, Omega Holidays will also offer a Northern Lights evening excursion from Leeds Bradford Airport. This amazing trip allows customers the chance to witness the amazing spectacle of the Northern Lights from their nearest airport.
