

PRESS RELEASE

Issued: 10th November 2017

Jet2.com and Jet2holidays announces winter programme from Leeds Bradford including new winter route

- Over 575,000 seats on sale for Winter 18/19 with Yorkshire's leading airline and tour operator
- **BRAND NEW** winter services to **Antalya**
- More services and longer seasons gives Yorkshire holidaymakers unrivalled choice and flexibility when it comes to winter sun, city and ski destinations

10th November 2017: *Jet2.com* and *Jet2holidays* has today announced its biggest ever winter flights and holidays programme from Leeds Bradford Airport, with over **575,000 seats on sale** to **26** winter sun, city and ski destinations for Winter 18/19.

The leading leisure airline and package holiday specialist is building on its growth at the airport by announcing an exciting Winter 18/19 programme, which includes a **NEW winter route to Antalya**, opening up the Turkish sunshine for Yorkshire holidaymakers next winter.

In addition to these new routes, there are more flights and extended seasons to popular sun, city, and ski destinations meaning almost **575,000** seats are now on sale with Yorkshire's leading airline, giving holidaymakers more choice and flexibility than ever.

Key highlights on the company's Winter 18/19 programme from Leeds Bradford Airport include:

- Introduction of first ever winter service to **Antalya** with weekly services operating every Saturday in November, and from February half term
- Expansion of Winter programme to **Canary Islands** with more services to **Fuerteventura, Gran Canaria** and **Tenerife**
- Longer winter season to **Rome**, with services starting in November

PRESS RELEASE

Issued: 10th November 2017

This announcement is part of **Jet2.com** and **Jet2holidays'** biggest ever winter flights and holidays programme, with over **3.5 million seats going on sale today.**

The programme means that the company is offering its biggest ever winter range, and with everything wrapped up in one package, holidaymakers from Yorkshire and beyond have access to great value package breaks across thousands of 2-5 star hotels, with **Jet2.com** flights, industry leading 22kg baggage allowance and airport transfers included, through a £60 per person deposit. Offering full ATOL protection, **Jet2holidays** also includes **free child places on all holidays** as well as **0% credit and debit card fees.**

Steve Heapy, CEO of **Jet2.com** and **Jet2holidays**, said: "The announcement of this exciting winter programme out of Leeds Bradford Airport shows the confidence that we have in our award-winning airline and package holiday offering. We have more seats and holidays than ever to a range of fantastic sun, city and ski destinations, including a new winter route to Antalya, meaning that our Winter 18/19 programme has something for everyone. With holidaymakers in Yorkshire continuing to look to get away on their well-deserved holidays, particularly during the long winter, we are stepping in to meet that demand by putting on more seats to provide more choice and flexibility than ever."

David Laws, Chief Executive at Leeds Bradford Airport said: "We are delighted to see **Jet2.com** and **Jet2holidays** announce its biggest ever winter flights and holidays programme from Leeds Bradford Airport.

"With a total of 26 winter sun, city and ski destinations for Winter 18/19, including the introduction of a winter service to Antalya, the people of Yorkshire and the surrounding area have more choice than ever before from their local airport."
